A Guide to the Revised Betting, Integrity & Match Fixing Rules

This information sheet is to be retained by the registering player for future reference. The Rules apply to all Match Officials and everyone connected to a Club or League in Wales.

IMPORTANT INFORMATION

BETTING

You are not allowed to place any bets, or accept any bets, on any game within Wales.

If your club participates in a competition outside Wales, such as the UEFA Champions League for example, you are not allowed to place any bets, or accept any bets, on your own team.

Neither must you bet, or accept any bet, on any other match in that competition even if your club is eliminated.

MATCH FIXING

You must not offer, or attempt to offer, any bribe or reward to anybody in order to influence the result, progress, conduct or any other aspect of any match.

You must also not accept any such bribe or reward. Whilst participating in a match, you must not fail to perform your duties or responsibilities to the best of your ability for any kind of reward.

INTEGRITY

It will be an offence for you to fail to report to the FAW any approach from a person, organisation or third party if asked to influence the course and/or result of a match or competition in an unlawful or undue manner.

It will also be an offence for you to fail to report any information or behaviour involving any person, organisation or third party should you be aware of any activities aimed at influencing the course of a match or competition in an unlawful or undue manner.

You must never use or provide others with any information that is obtained through connections with people involved in the game, which damages, or could damage, the integrity of a match or competition.

CONSEQUENCES

A breach of the FAW Betting, Integrity & Match Fixing Rules may result in a worldwide lifetime ban from football.

Should you wish to discuss any of the above details, please feel free to contact **Jason Webber** on **02920 435 859, 07971 423 761** or **jwebber@faw.co.uk**

REFEREE RECRUITMENT *Want to become a referee?*

The Football Association of Wales is always seeking to recruit new referees, both male and female. Referees courses are held in all areas of Wales under the jurisdiction of the local Associations. Once the course is satisfactorily completed individuals concerned will be able to progress through the system, and even progress to the FIFA International list of Referees and Assistant Referees, which gives them the opportunity to Officiate in all parts of Europe and on occasion in other parts of the world.

There are many advantages of becoming a Referee, particularly it gives the opportunity for physical activity, with a consequent improvement in health and fitness. Please visit the FAW website for further information:

PROTECTING THE IMAGE OF THE GAME

Guarchod y Gêm Cymdeithas Bêl-droed Cymru

Every stakeholder has a vested interest in protecting the image of the game, both on and off the field, and the primary responsibility lies with three components: Referees, Managers / Coaches and Players . It is these individuals, whom it could be argued, are the vital core ingredients of making the game we all love, an attractive and entertaining spectacle, which brings the paying spectator in through the turnstiles . We can ensure success through working together to gain a mutual respect and adopting a responsible, measured approach to protecting the image of the game .

PLAYER CONDUCT

Whilst it clearly has to be understood that under the Laws of the Game the Captain has no special status or privileges, they do have a degree of responsibility for the behaviour of their team . Good management by Referees will see them communicating positively with captains to promote respect amongst all team members. There are occasions when offences, will be committed that will result in an immediate disciplinary sanction of either a caution or a sending off . In these instances, the captain will have no bearing on the matter whatsoever .

Managers and Players are reminded that the Referee must control the game by applying the Laws of the Game and to this effect the Referee will deal firmly with any open show of dissent .

Referees are under instruction not to back off by walking away or turning a blind eye / deaf ear to confrontational behaviour or dissent . They will deal with it positively and effectively at all times .

Players (including Captains), showing open dissent will be cautioned and players (again including Captains), who use offensive, insulting or abusive language (including gestures) towards a match official or anyone else, will be sent from the field of play, as per the laws of the game .

Referees are also instructed that players who run from a distance to protest/mob the referee will be cautioned. Assistant Referees and 4th Officials will be reminded of their responsibilities of identifying such offenders and subsequently informing the Referee. It has become apparent that certain teams are using the tactic of orchestrating several players to surround the Referee when a decision has gone against them and this practice is unacceptable . Should this be the case, then two things will happen .

Firstly, the relevant offending players will be cautioned and secondly the Referee will report the Club concerned to the FAW Compliance department for failing to control their players which could result in further action being taken against the Club . Hopefully, this action will not need to be taken with the proviso that the club management and players understand their part and respond in a positive and mature manner .

An appeal is within the spirit of the Law however dissent is not . It is not the intention to stop players making genuine appeals but there has to be a clear line which must not be crossed over into a situation of dissent . For example, if a player feels they should have been awarded a penalty but is denied yet proceeds to chase after the Referee then play would be stopped and result in a caution issued and an indirect free kick awarded to the opposition . It would be appropriate to remind all concerned that dissent towards an Assistant Referee (or Fourth Official when appointed), will be dealt with in the same way .

Something which has become a regular occurrence in the game is the way in which players jostle for position at the taking of corner kicks or attacking free kicks into the penalty area. Referees will be pro-active before the ball is played in by warning the players concerned and reminding them of their responsibilities. If the players ignore the advice given when the ball is delivered into play then either a penalty kick will be awarded or a free kick will be given to the defending team.

It should be acknowledged that if there is improved player conduct towards the match officials, then the game will become a better family spectacle, which is the main message to be delivered in marketing the game.

There is great concern in relation to the escalating use of what many people both in and out of the game commonly refer to as "Foul and Abusive Language". In the Laws of the Game it is referred to as, "Offensive, insulting or abusive language and/or gestures" and it is time to take steps to drastically reduce the language used.

It is unrealistic to believe it will be eradicated completely, for when a player stubs his toe or misses an open goal, he is likely to use an expletive in frustration. What must be stamped out is the use of such language being shouted across the field of play which can be clearly heard by everyone in the ground. There is a clear and understandable perception that this is not being dealt with properly and Referees are reminded quite emphatically, that in such circumstances the Law must be applied and no longer can a "blind eye" or "deaf ear" be tolerated in such situations.

TECHNICAL AREAS

Managers need to be in control of their behaviour and that of their coaching staff.

If a Manager or member of the coaching team leaves the Technical Area to berate either the Referee, Assistant Referee or Fourth Official in a very public way and in contravention of the Laws of the Game they will be shown a red card and sent from the technical area/field of play and will take no further part in managing / coaching duties.

The words to remember here are "very public way" and "contravention of the Laws of the Game". We all know what is and not acceptable. A Manager / Coach who clearly contravenes this aspect of the regulations will be shown a red card/sent off.

It is worth reminding all parties concerned that the Manager / Coach who is animated and seen to be waving their arms about in an aggressive manner, or indeed turning to the crowd with arms out, seeking support or sympathy, is clearly attempting to undermine the Referee's authority and will be cautioned or sent off accordingly.

Conversely, a Manager / Coach who stands on the edge of the Technical Area occasionally putting a foot outside is not going to be cautioned/sent off but will be reminded of the requirements of Law. The days of discussing decisions with the Technical Area personnel during the game have gone and Match Officials are reminded that it is not appropriate to, for example, put your arm around them as if you are old mates, or indeed to patronise them.

If a club physio/medic is sent off (shown a red card) during the match they will be allowed to remain within

PROTECTING THE IMAGE OF THE GAME

Gwarchod y Gêm Cymdeithas Bêl-droed Cymru

the technical area to treat injured players. The sending off will still be reported to the FAW Disciplinary department as per all other sending offs.

Only one (1) person at a time is authorised to stand and convey tactical instructions from the technical area .

If a member of the coaching team is shown a red card, they are to be sent from the Technical Area to a designated seat within the main stand.

All occupants of the technical area must be named on the COMET system prior to kick off. Personnel are not permitted to alternate between viewing positions during the game and can only enter or leave the area during the half time interval .

The use of any form of electronic communication equipment by team officials is permitted where it directly relates to player welfare or safety or for tactical/coaching reasons but only small, mobile, hand-held equipment (e .g . microphone, headphone, ear-piece, mobile phone/smartphone, smartwatch, tablet, laptop) may be used . A team official who uses unauthorised equipment or who behaves in an inappropriate manner as a result of the use of electronic or communication equipment will be dismissed from the technical area .

The above applies to the whole technical area .

GUIDELINES & PROTOCOL

Each Club must take every precaution to ensure that its ground is in a fit playing condition.

When the regional weather conditions are known to be extreme (e.g. prolonged severe frost, clear water logging or heavy snow) then the game can be postponed at the discretion of the League following consultation with the appropriate League Secretary / Officer, League Rules will apply.

Should a Competition decide to agree to an early postponement under such circumstances there will be no requirement for a pitch inspection.

In all other circumstances and subject to the time and travelling distance, the match Referee should be called in to make a decision. In the event of the match Referee being unable to carry out the inspection, the League must select an alternative Referee listed within the National List of Referees should it not be possible to identify an appropriate Match Official; the Appointing Authority will determine a suitable person to carry out the inspection.

Clubs should make every effort regarding the fitness of the pitch and should in such circumstances the home Club Secretary should inform their opponents that a pitch inspection is to take place.

Prior to reaching a decision the Referee who is making the inspection must:

- 1: Consult with the match Referee prior to the inspection
- 2: Consult with the match Referee during / after the inspection to mutually agree on a decision prior to notifying the Home Club Secretary or Club Chairman and the appropriate League Secretary (or Chairman if the Secretary is not available).

Prior to reaching a decision the Referee who is making the inspection should consider the following:

- 1: Whether or not the ground (playing area) is dangerous (e.g. ice / frost)
- 2: Whether or not that the spectator standing areas are dangerous (e.g. ice / frost)
- 3: Whether or not conditions are or could turn farcical
- 4: The views of the Home Club Groundsman in terms of local knowledge and draining capabilities in the event of standing water
- 5: The existing condition of the playing surface in conjunction with the prevailing weather conditions as previously confirmed with the local weather authority.

The inspecting Referee should be seen to be active! Adhere to deadlines, keep all informed; especially the away Team Manager if he is on route and can be contactable (home club will have the Secretary's mobile number); or if the away Club are in a hotel locally. If they are within a reasonable time/distance from the ground it is only courtesy that the Referee awaits their arrival.

Inspect thoroughly! A professional approach must be adopted when carrying out an inspection. It is not acceptable for a Referee just to take a cursory look at the field of play in normal dress (i.e. Suit /Blazer etc.). Sports kit should be worn, along with appropriate footwear (i.e. football boots).

The FAW and Cymru Leagues recommended procedure for the guidance of Clubs and Referees in determining the suitability of grounds in adverse weather conditions.

All areas of the pitch should be inspected. A ball should be used to determine whether the surface is playable (for movement and bounce).

Fog creates its' own problems. A Referee should use perspectives from ground level and the back of a stand - check forecast (remember that there is a responsibility to paying spectators).

When dealing with such elements as frost or ice – remember that the highest temperature of the day is usually around mid-day. Get a forecast if necessary of the projected temperature for the time when the match is due to conclude.

The manpower available to the Home Club to carry out any necessary work to make the ground playable. The time the visiting Club are due to commence their journey.

Liaise with Managers **BUT** the decision as to whether the match is played is the **Referees**.

If an early inspection has not been carried out and the match Referee arrives at the ground to find the playing conditions in doubt due to unexpected deterioration in the weather, he should first consider as many of the above points before committing himself to a decision.

In the event of a pitch inspection being carried out by a Referee other than the match Referee, a fee of £30.00 will be paid by the League or Competition.

If the appointed Match Officials have reported to the ground, they are entitled to their expenses plus half their match fee if the match is not played.

If the game is postponed following the inspection, either by the match Referee or another Referee, the Delegate appointed, must also be informed.

The Matches shall take precedence over all competitions in which a Club may engage, with the exception of the Welsh Cup, the Welsh Premier League Cup, UEFA club competitions and any invitational competition as agreed by the Board.

18.2 The schedule of Matches shall be issued by the General Manager after consultation with the Clubs. The Home Club for each Match shall have the right to determine whether a weekend Match

is to be played on a Friday evening or a Saturday or Sunday save that all weekday (Monday to Friday) evening fixtures when the distance between the Home Club and the Visiting Club is more than seventy-five (75) miles shall only take place with the consent of both Clubs, unless chosen as a live televised Match as determined by the Board.

18.3 At least two (2) weeks' prior notice is required from Clubs wishing to re-arrange a Saturday Match to Friday evening. A request made in less than this period of time will only be considered by the Board in exceptional circumstances.

18.4 Clubs shall not be required to play a Match within seventy (72) hours prior to, or within seventy (72) hours after playing a UEFA club competition match.

18.5 Unless mutually agreed by the Clubs concerned, the time of kick-off shall be: Saturday and Sunday matches: 2.30pm or as directed by the Board. Evening matches: 7.30pm for Clubs with floodlights or as mutually agreed between the two Clubs; and for Clubs without floodlights as mutually agreed between the two Clubs. If Clubs are unable to mutually agree, the General Manager shall have the discretion to fix the kick-off time.

18.6 In all Matches, the half-time interval shall not exceed fifteen (15) minutes.

18.7 All agreed changes to time of kick-off shall be notified to the General Manager by the Home Club immediately for confirmation at least two (2) weeks prior to the date of the Match.

18.8 Clubs shall adhere to any additional requirements agreed by the Board and contained in the League broadcasters' protocol to be provided to the Clubs by the General Manager at least two (2) weeks prior to the commencement of the playing season.

18.9 Each Home Club shall confirm full kit colours (including goalkeeper) on COMET at least five (5) days prior to the Match. The Visiting Club and Referee must also confirm full details (including goalkeeper) via COMET. The Match Referee must confirm approval of both Clubs' proposed kits with both Clubs and the General Manager via email at least forty eight (48) hours prior to kick off.

18.10 Visiting Clubs shall also confirm in such match correspondence to Home Clubs if they will be attending post-Match hospitality or not.

18.11 Where a Match is re-arranged or cancelled after the Match Officials have been appointed, it is the duty of the Home Club to notify the Match Officials of the cancellation of their appointments immediately.

19. GATE RECEIPTS

19.1 Save as expressly stated in these Rules, the Home Club shall retain all gate receipts generated from each Match.

20. CONDITION OF GROUNDS AND POSTPONEMENTS

20.1 Any Match not completed may be ordered to stand as a completed Match or replayed for the full period of ninety (90) minutes, as the Board may direct. In the event of a Match not being played to a finish owing to fog or other causes over which neither Club has control, the Home Club shall take its own gate receipts of such uncompleted Match and the gate receipts of the replayed Match shall be divided on Welsh Cup tie terms, except that season ticket holders of the Home Club shall be admitted on producing their cards of membership.

20.2 In the event of a Match having to be postponed for any reason due to problems arising from one of the Clubs involved, their prospective opponents shall be compensated by them/or the League at the discretion of the Board.

20.3 In the case of the Visiting Club, should it have undertaken all or part of the journey, travelling expenses and meal allowance may be claimed based on the total mileage on the whole journey. The allowance will be as assessed by the Board up to a maximum of £300.

20.4 Details of the compensation claim by either/both Clubs shall be placed before the Board, with all the details clearly itemised.

20.5 When a Match is postponed, both Clubs are to agree an alternative date and notify the General Manager within fourteen (14) days of the revised date. If the Clubs fail to agree, the General Manager is to impose a date without right of appeal by either Club.

20.6 The postponement of a Match due to ground conditions must be carried out in accordance with this Rule. No Club shall postpone the playing of a Match on account of apparent unfitness of its ground, the Referee being the sole person to decide as to the fitness after inspection. In bad weather, or where it seems apparent that there is not a possibility of the Match being played, it shall be obligatory for the Home Club to call in the most senior FAW qualified referee available, to give a ruling as to the fitness after consultation with the General Manager. The time of any inspection shall be by mutual agreement between the two Clubs taking into account the travelling time of the visiting Club. In case of dispute, the General Manager shall decide the time of any inspection.

20.7 In the event of the available referee declaring the ground unfit, the Home Club shall notify the Visiting Club and the Match Officials forthwith by email and telephone call to avoid all unnecessary expense in travelling. The Visiting Club shall forthwith acknowledge receipt of such notice. If the Home Club does not receive an acknowledgement promptly, the Home Club shall forthwith notify the General Manager.

20.8 If the available referee does not declare the ground unfit, a final decision shall be made by the Match

Referee upon his arrival at the ground (each such Referee taking into account that Referees should not hastily postpone or abandon Matches).

20.9 When a Club obtains the approval of the Board to postpone a Match because of an epidemic or similar affecting the availability of its Players, that Club shall be liable to pay any direct expenses (if any) incurred by the opposing Club as a result of the postponement.

20.10 Requests for the postponement of a Match for any reason will not be considered more than forty-eight (48) hours before the scheduled time of kick-off.

20.11 Medical Certificates for those Players affected sent signed by the Player's own doctor must be forwarded to the General Manager within fourteen (14) days of the postponement, along with the full list of Professional Players and Amateur Players currently engaged by the Club during the season, giving full reasons against each name for that Player's unavailability.

21. TEAM SHEETS AND STRENGTH OF TEAMS

21.1 Both Match Team Sheets must be completed and handed in to the Home Club match day secretary, who shall be readily available, at least seventy five (75) minutes before kick-off of each Match (except at least ninety (90) minutes before kick-off of any Match to be transmitted "live" on terrestrial television). The Home Club shall ensure that both Team Sheets are handed to the Match Officials at least sixty (60) minutes before kick-off.

21.2 Any Club altering its team selection or numbering after Team Sheets have been exchanged will be subject to any action decided upon by the Board. After the validated Team Sheets have been submitted by both Clubs, and if the Match has not yet kicked off, no replacement is allowed except in the following cases:

21.2.1 If any of the 11 Players indicated on the Team Sheet as forming the starting 11 are not able to start the match due to physical incapacity, they may only be replaced by any of the substitutes listed on the initial Team Sheet. The substitute(s) in question may then only be replaced by a registered player (players) not listed on the initial Team Sheet, so that the quota of substitutes is not reduced. During the match, three (3) Players may still be substituted.

21.2.2 If any of the substitutes listed on the Team Sheet are not able to be fielded due to physical incapacity, they may only be replaced by a registered Player not listed on the initial Team Sheet.

21.2.3 If none of the goalkeepers listed on the Team Sheet are able to be fielded due to physical incapacity, they may be replaced by registered goalkeeper Player not listed on the initial Team Sheet.

21.2.4 The Club concerned must, upon request, provide the Board with the necessary medical certificates.

21.3 The League's standard form Team Sheet shall be used by each Club, using the systems and procedures set by the FAW from time to time.

21.4 Each Club shall play its full strength team in all Matches and shall be prepared to kick off at the advertised time unless an explanation is offered which is deemed satisfactory by the Board.

22. MATCH-DAY PASSES

22.1 Each Home Club will issue to the Visiting Club:

22.1.1 A pass to cover eighteen (18) Players plus up to eight (8) Officials (including team manager, assistant coach and Emergency Aid Officer) with access to the relevant changing room, pitch, substitutes bench and technical area and other relevant areas within the ground on Match day, and

22.1.2 Passes to give access to the ground and directors' boardroom for six (6) directors on Match day.

22.2 Additional passes or tickets to give access to the ground for the Match must be issued upon request from the Visiting Club, up to a maximum of six (6), provided it is understood that such requests must be restricted to bona-fide Club directors.

22.3 Ten (10) League passes will be issued to each Club. The passes are for ground admission and stand for all Matches (subject to availability) but will not guarantee admittance in to the Club boardroom or directors box. The passes are transferable.

23. SUBSTITUTES BENCHES AND TECHNICAL AREAS

23.1 At each Match:

23.1.1 up to eleven (11) Players and Officials in total (of which no more than five (5) may be the substitutes nominated in accordance with Rule 14.1 above, or the Players they have replaced on the field of play) may sit on the substitutes' bench of the relevant Club in the designated technical area. The full name of each person and their function must be listed on the Team Sheet. If the designated technical area has less than eleven seats, the Home Club must provide additional technical seats, which must be located at least 5 metres to the outside of the marked technical area.

23.1.2 Only one (1) person at a time from the relevant Club may stand in the designated technical area. Only one (1) person at a time from the relevant Club may convey tactic instructions from the designated technical area.

23.1.3 The Emergency Aid Officer role is as defined in the FAW's Tier 2 Compliance Regulations. The person on duty as Emergency Aid Officer shall be either the Club's incumbent Emergency Aid Officer in accordance with the Club's Tier 2 Compliance Certification or, in exceptional circumstances, a replacement who is appropriately qualified in accordance with the FAW's Tier 2 Compliance Regulations.

23.1.4 During the Match, substitutes are allowed to leave the designed technical area to warm up. The Referee may determine exactly where they may warm up and how many substitutes are allowed to warm up simultaneously but in any event, no more than three (3) in total from each Club. A Club Official (as indicated on the Team Sheet) may join the substitutes warming up and, if so, is responsible for compliance with the Referee's instructions. Each Club participating in a Match must have two (2) sets of warm up bibs available to present to the Referee before the Match. The Referee will decide which bibs the substitutes must wear during their warm ups.

RULES RHEOLAU

JD Cymru North & South

23.1.5 Smoking (including the use of e-cigarettes) is not allowed in the technical area during Matches.

23.1.6 Three home and three away bibs to be placed opposite the technical areas in preparation for substitutions (as players are now expected to leave the field at the nearest point after being substituted).

24. RESULT/REPORT FORMS

24.1 Each Club competing in a Match shall send the completed standard electronic Result Form to the General Manager within thirty (30) minutes of the final whistle, using the systems and procedures set by the FAW from time to time. The Referee shall send the completed standard Referee's Report Form to the General Manager within sixty (60) minutes of the final whistle, using the systems and procedures set by the FAW from time to time. The Referee's Report Form must be complete in all details, including the result of the Match, the full names of the Players taking part in the Match, the names of the substitutes and details of any substitutions made (including the Match time when the substitution was made), match attendance and details of any yellow cards and red cards issued (including the Match time when the card was issued).

25. MATCH OFFICIALS

25.1 The FAW shall decide on the appointments of Match Officials.

25.2 In the event of the Match Officials not being in attendance at the Match in accordance with Rule 25.3 below, the two (2) Clubs must agree to a substitute on the ground and such substitute shall be considered a Match Official for the time being.

25.3 Match Officials should be present at the appointment at least seventy five (75) minutes prior to the advertised time of kick-off. The appointed Referee may be required to visit the ground earlier if requested to do so by the Home Club. If any Match Official becomes aware that they are likely to arrive late, they must immediately notify the participating Clubs, other Match Officials and the General Manager via telephone calls.

25.4 In cases where it is considered necessary to stop playing a Match owing to adverse weather or another cause, the Referee must wait a reasonable length of time before deciding on abandonment.

25.5 Should the appointed Referee fail to appear, the senior Assistant Referee shall take charge. The senior Assistant Referee is the Assistant Referee with the longer service on the League.

25.6 Referees must report to the General Manager all cases where Clubs commence a Match late, or without eleven (11) Players on the field and also in case of their own or any Assistant Referee's or the Fourth Official's late arrival for any Match as soon as possible after the Match. Assistant Referees and Fourth Officials must also send an explanation of their late arrival to the General Manager as soon as possible after the Match.

25.7 The Home Club must pay the Match Officials their fee and/or expenses on the date of the Match, in their dressing room, within a reasonable time after the conclusion of the Match.

25.8 The football(s) proposed to be used in a Match must be the applicable official Match ball type as determined by the Board and notified to the Clubs by the General Manager from time to time. The Home Club must ensure that the proposed Match balls are in good condition and without any writing or extra marking on them. The proposed Match ball(s) (comprising a minimum number of eight (8)) shall be submitted by the Home Club to the Referee for his approval before commencement of the Match.

25.9 The scale of payments for Referees, Assistant Referees and Fourth Officials shall be determined by the FAW and notified to the Clubs by the General Manager prior to the commencement of the playing season.

25.10 All Match Officials shall be entitled to claim the cheapest form of rail travel available on the day of the Match or motoring expenses determined from time to time by the FAW when travelling by car.

25.11 Referees, Assistant Referees and Fourth Officials must travel together when instructed to do so by the FAW.

25.12 Home Clubs must provide adequate refreshments to the Match Officials in their dressing room at least sixty (60) minutes prior to kick-off.

25.13 In the case of postponed Matches where gate money is not taken, the Match Officials shall be paid their travelling expenses and half their ordinary fee.

25.14 Referees must report any late presentation or non-presentation of Team Sheets or alteration of teams after presentation of Team Sheets in accordance with Rule 24 above.

25.15 Referees must ensure that Clubs play Matches in the correct Authorised Kit as defined in Rule 16 above. Any breach of this Rule must be reported to the General Manager.

25.16 The kit worn by Match Officials at Matches shall be approved by the FAW Referees Committee.

25.17 Any comments, questions or complaints regarding the decisions of a given Match Official shall be directed to the FAW Referees manager (initially via email), not to any individual Match Official. Under no circumstances are conversations between club personnel and match officials to be recorded with any device without the knowledge and permission of all parties.

26. WITHDRAWAL OF CLUBS

26.1 A Club shall not resign from the League after being accepted at the Annual General Meeting and before completing all of its Matches in the relevant season.

26.2 If a Club wishes to resign from the League at the end of the season, it must do so by giving notice by 1st April.

27. EXCLUSION OF CLUBS – MISCONDUCT BY CLUB, THEIR OFFICIALS, PLAYERS OR OTHERS

27.1 At the Annual General Meeting or at an Extraordinary General Meeting called for the purpose in

RULES RHEOLAU

JD Cymru North & South

accordance with the provisions of Rule 4 above, a seventy five per cent (75%) majority of the accredited Club representatives present and eligible to vote shall have power to exclude from further participation in the League any Club whose conduct has in their opinion been objectionable and detrimental to the good conduct of the name of the League.

27.2 It is the responsibility of all Clubs to ensure that their Officials, Players or other members of the Club do not, by their written or spoken words or actions, bring the League or any other Club into disrepute.

28. MATCH PROGRAMME DETAILS

28.1 The Visiting Club must send the Home Club a brief history of the Club, details of its Club first team squad list together with Players' pen pictures and which Authorised Kit it intends to wear in time to be received by the Home Club at least five (5) days prior to the scheduled date of the Match. If as a result of exceptional circumstances, a Match is re-arranged with less than five (5) days' notice, the details must be forwarded to the Home Club as soon as reasonably practicable after notification of the re-arrangement. All Clubs must publish a minimum eight (8)-page programme for all Matches, which may be in hard copy and/or digital format.

28.2 If requested by the General Manager, the Home Club shall forward to the General Manager a copy of the Match programme within three (3) days of his request.

29. PUBLIC LIABILITY AND PLAYERS INSURANCE

29.1 All Clubs must have and maintain Public Liability Insurance in the minimum sum determined from time to time by the Board, evidence of such cover having to be provided to the General Manager at least fourteen (14) days before the start of the season and as otherwise requested by the Board. In the event of the FAW arranging block cover for Public Liability Insurance, all Clubs will be required to participate on such terms as the Board shall decide.

30. REGISTRATION OF GROUNDS AND GROUND SHARING

30.1 Each Club must register its ground for Home Matches with the General Manager by 30th June prior to the start of each season and the Club may not use any other ground for Home Matches without the Board's prior written approval.

30.2 Any Club which intends entering a ground sharing agreement either by sharing its own ground with another club, irrespective of whether the other club is from within or outside the League must initially submit in writing to the General Manager full details of the agreement which must then be approved by the Board before it can be accepted. Details of ground sharing agreements must be submitted to the General Manager by 1st March to be effective for the following season. In all cases where grounds are shared, the Club is to have priority of use at all times unless there are exceptional circumstances approved in writing

in advance by the Board. Failure to maintain priority use will render the ground unacceptable under these Rules and in addition not capable of obtaining Tier 2 Compliance Certification.

31. TRANSMISSION OF LEAGUE MATCHES

31.1 The FAW shall have the sole and exclusive right to exercise the Transmission Rights and enter into Transmission Contracts and/or authorise others to do so. The Clubs shall do nothing to infringe such rights and shall at their own cost do all such things and sign all such documents as are necessary to facilitate the exercise of the Transmission Rights and enable the FAW, its agents and licensees to comply with the terms of Transmission Contracts, including the provision of access, facilities and services and the right to use Club, Official and Player names, logos, images and biographies.

32. SPONSORSHIP

32.1 The FAW shall have the sole and exclusive right to exercise the Sponsorship Rights and to enter into Sponsorship Contracts and/or authorise others to do so. The Clubs shall do nothing to infringe such rights and shall at their own cost do all such things and sign all such documents as are necessary to facilitate the exercise of the Sponsorship Rights and enable the FAW, its agents and licensees to comply with the terms of Sponsorship Contracts, including the provision of access, facilities and services and the right to use Club, Official and Player names, logos, images and biographies.

33. MEDICAL COVER

33.1 At all Matches, medical cover to at least FAW FASE 1 level must be provided by the Home Club for Players, Officials, Match Officials and spectators.

34. SCALE OF FINES AND PAYMENT OF FINES

34.1 The Scale of Fines to be imposed by the Board for a failure to comply with specified Rules (assuming the relevant failure is a first offence) shall be determined by the Board from time to time and notified to the Clubs by the General Manager at least two (2) weeks prior to the commencement of the League playing season.

34.2 All fines imposed by the Board under these Rules must be paid to the FAW within fourteen (14) days of notice being given by the Board.
