

THE FOOTBALL ASSOCIATION OF WALES REDUCED PENALTY TARIFFS

TARIFFS

Set out in the following pages are the comparable penalty tariffs that will be applied for a proven Disciplinary Offence.

REDUCED PENALTY

This penalty tariff is the Reduced Penalty that will be applied where the Party charged with a Disciplinary Offence accepts a Reduced Penalty offered by the Football Association of Wales ("FAW") or Area Association ("AA") in accordance with the Reduced Penalty Regulations. In such circumstances, the penalty offered will be less than the FAW's Standard Minimum Penalty for the same offence and a Disciplinary Panel will not be convened. The Party charged will not be required to pay costs.

Further information regarding the Reduced Penalty Procedure can be found by visiting the FAW or AA website.

STANDARD MINIMUM PENALTY

This penalty tariff is the minimum penalty that will be applied where the Party charged with a Disciplinary Offence elects one of the following –

- denies the charge, which is later found proven
- fails to respond to the charge within the required time period, which is later found proven; or elects not to accept a Reduced Penalty offered by the FAW or AA, which is later found proven
- accepts the charge but requests the FAW or AA considers evidence in mitigation

In such circumstances, a Disciplinary Panel will be convened and will proceed in accordance with FAW Rule 43.1 or AA Rule 28.1 and its sub-clauses. The Party charged will be liable to costs should the charge be found proven. If a charge is not found proven by a Disciplinary Panel, no penalty or costs will be imposed against the Party.

When determining a penalty, a Disciplinary Panel will consider the following -

- The seriousness of the offence – factors such as the words used, physical behaviour and length of incident
- Whether it is a first offence or a repeat offender
- A failure to respond to a charge of misconduct
- Does the individual hold a position where a higher standard of behaviour is expected (e.g. team captain, team manager etc)
- The category of any suspension imposed (e.g. Match or Touchline Suspension, Suspension from all football related activity etc)
- Any mitigating factors
- The Standard Minimum Penalty for the offence

Precedent will not bind Disciplinary Panels. Furthermore, each panel shall have total discretion when awarding an order of costs against the Party charged and situations may arise where the costs order is greater than the fine imposed.
