

FAW Fair Play Regulations

1. Preamble

Where the context so requires, capitalised and defined words or phrases used in this Regulation have the same definition and meaning set out in the FAW's Rules. The Fair Play Regulations only apply to Clubs participating in the FAW's National Leagues.

2. Aim

The aim of the *FAW Fair Play Regulations* is to encourage good behaviour and raise awareness of the 'Fair Play' message.

The objective of the *FAW Fair Play Regulations* is to inspire Players, team officials, Clubs and supporters to take an active role in promoting this message for the benefit of football at every level in Wales, as we all have a collective responsibility for the image of the game.

- for denying an obvious goal scoring opportunity to an opponent whose overall movement is towards the offender's goal by an offence punishable by a free kick.

(b) A **team official** sent off in accordance with Law 12 of the IFAB Laws of the Game for one of the following reasons:

- delaying the restart of play by the opposing team e.g. holding onto the ball, kicking the ball away, obstructing the movement of a player;

(iii) **4 points** for any **Player or team official** who receives a caution in accordance with Law 12 of the IFAB Laws of the Game.

Each Clubs' points will be based on their league matches only. For the avoidance of doubt, they will not include any play-off matches, cup competitions or friendlies.

If a Player or team officials' registration is terminated, or a Player or team official is transferred to another Club during the same season, then the points accumulated will remain with the club at which the individual committed the offence.

4. Reduction of Points

During the season, each Club has an opportunity to reduce the number of points to their overall total where Clubs have evidenced the promotion of the FAW Fair Play message. The table below outlines all possible points deductions that will be considered:

Fair Play Promotion	Total Number of Points Deducted
Programme Articles – Clubs displaying FAW Fair Play logo, FAW Fair Play Code and FAW Fair Play Tables in at least 3 (three) different Matchday Programmes in the same season.	4

Online Articles – Clubs having a specific publication from the current season which includes the aim of the FAW Fair Play Code and the FAW Fair Play Logo.	2
Monthly FAW Fair Play Tables on website – These need to be updated monthly as and when the FAW publishes them.	4
Designated FAW Fair Play Days – The display of FAW Fair Play branded paraphernalia. Examples include, but are not limited to: T-shirts, banners, cards, water bottles, PA system announcements.	6

All of the above evidence must be submitted by post or email to the FAW Discipline Department (discipline@faw.co.uk) no later than 2 (two) days after the completion of the last match of the season in the Clubs respective league. All evidence that has been submitted will be reviewed at the end of the season and any deduction in points will be represented in the final tables only. It shall be to the absolute discretion of the FAW when determining if a reduction of points should be awarded.

A Club can gain a points deduction for each individual reason listed in the table above, the points deduction is only available for each individual reason once per season. Therefore, a Club cannot have two points deductions for the same reason during a single season. For the avoidance of doubt, the maximum number of points that can be deducted from a Clubs record for a single season is twenty (20).
